

Serving Texas and Protecting Texans for Over 100 Years

Founded in 1908, TLTA is a statewide trade association representing the Texas title insurance industry and currently serving over 15,000 professionals involved in the safe and efficient transfer of real estate. In the course of their daily work, our membership serves over a million consumers each year. With active members in 253 of 254 Texas counties, TLTA membership comprises over 85 percent of all title insurance agents and underwriters licensed to do business in Texas.

TLTA members provide certainty, efficiency and security to real estate transactions by conducting title searches, examinations, closings and issuing title insurance to protect real property owners and mortgage lenders against losses from defects in titles.

TLTA provides a comprehensive program of regulatory and legislative advocacy on the state and federal level, a full line-up of educational programming, including a professional certification program and the most up-to-date industry news and information through our e-newsletters, website and other resources. For more than 100 years, TLTA has played a vital role in the success of the land title industry in Texas and continues to be a vibrant and responsive organization for the benefit of its members and consumers they serve.
