

# NEED TO KNOW

## TDI CALL FOR AGENT 2024 STATISTICAL DATA

### DUE APRIL 8

## Need to Know Info for TDI 2024 Agent Data Call Report due April 8 - Timely Reporting Critical

*See below for important information and resources to help you comply*

### When will the data call be issued?

[Per a Bulletin TDI issued Monday](#), the official call for title agents' 2024 statistical data will be issued tomorrow, Friday, March 14. We're giving you the following resources and information early so you're ready to go when the forms and instructions are distributed by TDI tomorrow.

### When are reports due?

Reports are due April 8 and [TDI has stated that no extensions will be granted](#). This turn-around time is shorter than normal as a result of the necessity to gather current data for the ongoing review of title insurance rates. We know this is very challenging and appreciate everyone's efforts to get this much needed data in by the due date.

### How do I ensure I'll receive the data call, forms and instructions?

TDI will issue the data call for the title agents with a bulletin. If you already receive TDI's news related to title agents or title underwriters, you will receive this bulletin. If you are unsure, we strongly encourage you to [Sign up here](#).

TDI staff will also send an email directly to each title agent once the bulletin goes out. This email will be sent to the person who submitted the last data call for your company.

If TDI doesn't have a contact email address for your company, they will use the main contact they have on record. All licensed agents are required to [provide an email address for official communications](#) as specified on [TDI's website](#). We urge you to check now and regularly to make sure that main contact for your company is up-to-date.

### Are there training tools available to help when completing the form?

Here are **two options available** for training materials:

- Detailed educational materials are graciously being shared by FNF Southwest Agency with all TLTA members during the reporting period. Complimentary. No CE Credit. Many thanks to FNF for sharing this helpful resource.
  - [Watch the video »](#) (password = *datacall*)
  - [Read the paper »](#)
- [This TLTA webinar](#) recorded last year walks you through how to complete the form. Registration is required. 1 hour of Escrow Officer CE available.
  - [A Guide To Completing the TDI Agent Statistical Report \(On Demand\) »](#)

*Note: This information is being provided for educational and reference purposes only and should not be construed as legal, financial, or business advice from or on behalf of TLTA or FNF. Users should consult their own legal counsel and subject-matter experts to ensure that any policies adopted or actions taken meet the requirements unique to their company.*

### Who can prepare this form for you?

If you choose not to prepare the form in-house, there are professional firms who can be engaged to complete your statistical report. Your underwriter will be a good source for recommendations or you can [reach out to us](#) and we'll provide any resources we are aware of.

### What's next?

Your team at TLTA will continue to send you info, resources, and reminders. And, [we are available to you any time](#) should you have questions. Thank you so much!
