FOR IMMEDIATE RELEASE

Texan Title Insurance Company (TTIC) is proud to announce that Lisa Beville, a highly respected educator and industry leader with more than 30 years of experience in the Texas title insurance industry, has joined the company as VP, Underwriting Counsel & Director of Education. Based in the DFW area, Beville will lead and expand TTIC's continuing education and escrow training initiatives for independent title agents across Texas.

Beville brings exceptional depth in underwriting, regulatory guidance, and industry education. A licensed attorney and CPA, she also holds three of the Texas Land Title Association's most distinguished professional designations: Certified Title Insurance Professional (CTIP), Certified Abstract Examination Professional (CAEP), and Certified Escrow Settlement Professional (CESP). Lisa also earned the National Title Professional (NTP) designation from ALTA in 2025.

A longtime teacher, mentor, and advocate for industry growth, Beville has spent decades simplifying complex title and escrow concepts for professionals at every level. Her longstanding involvement with the TLTA includes teaching at the Land Title School of Texas and the Texas Land Title Institute, where she is known for turning challenging material into clear, engaging, and even fun learning experiences. In 2012, she was honored with the Peggy Hayes Teaching Excellence Award, recognizing her impact on title industry education throughout Texas.

At Texan Title, Beville will lead efforts to significantly expand the company's escrow continuing education (CE) programs, elevate training resources for independent agents, and help TTIC serve a growing network of title professionals across the state.

"Lisa's expertise, passion for teaching, and reputation for excellence make her one of the most respected educators in our industry," said Russell Sugg, Executive Vice President & COO of Texan Title Insurance Company. "Her addition represents a major investment in both our agents and the future of our organization. We could not be more excited to welcome her to the TTIC family."
