BRANDI ABERCROMBIE JOINS NATIONAL INVESTORS

Please welcome Brandi Abercrombie Vice President Education and Agency Development to National Investors Title Insurance Company. Brandi brings more than 16 years of experience in operations, sales and agency experience to the company.

Brandi recently served as an agency manager for a national title insurance underwriter, assisting agents across Texas. For more than 15 years prior to that, Brandi worked for independent agents working in nearly all aspects of the title and underwriting business. This included customer service and escrow operations, curative and exam work, and extensive management duties in the role of closing manager for a large title company.

Brandi holds both the Certified Escrow Settlement Professional and Certified Title Insurance Professional designations from Texas Land Title Association (TLTA). She has taught at the Texas Land Title School for over 10 years and is the current Chair of the School Committee. She is active in numerous other TLTA endeavors and a frequent webinar presenter.

Brandi has been active in numerous Chamber of Commerce and city festivals and events over the years as well as multiple other boards and activities with her two now grown daughters, Lexi and Livi. She resides in Henderson, Texas with her husband Jay.

Brandi is eager to meet and work with the National Investors family of agents as she familiarizes herself with her new role.
