Title Midwest, Inc. Appoints Marc Miller to lead Texas division

Title Midwest, Inc. is pleased to announce the appointment of Marc Miller as President of Secured Title of Texas.

“Adding Marc to our Title Midwest family is extremely exciting for us as we continue our success in the state of Texas. Marc brings vast knowledge of the title insurance industry and his core values and morals align closely with ours.” – David Stauffer, Vice President, Title Midwest, Inc.

“I am so pleased to be joining the Title Midwest Family of companies. The company culture and the successful history of a family owned business were the driving factors in my decision to join”, stated Miller, the newly appointed President.

“Leading Secured Title of Texas and our team of title professionals is a great opportunity and one that does not come along often. I am particularly excited about the Stauffer family's commitment to grow the Texas footprint across all major markets. We have a great platform in North Texas as our foundation, and the resources necessary to respond to new opportunities for organic growth and strategic acquisitions.”

Title Midwest Inc. has been providing the most timely and comprehensive title and closing services for decades. It has been and continues to be the Midwest's premier provider of title and closing services. In addition to Texas, Title Midwest has offices in Kansas, Missouri, Nebraska, Oklahoma, Minnesota and Wisconsin.
