## **Vantage Point Title, Inc. Welcomes Natalie Moranda as Senior Vice President, National Retail Operations**

**June 23, 2022 (Costa Mesa, California)** Vantage Point Title, a national provider of title and escrow solutions has announced the addition of Natalie Moranda to the Vantage Point Title team. Vantage Point Title provides closing and settlement solutions in all 3,600 national counties and works with all major underwriters to provide a variety of options when solving title issues.

“As Vantage Point Title continues to serve a growing client base in an expanding list of markets, we’re thrilled to be adding this experienced title professional to our team,” said Robert Jackson, President/CEO of Vantage Point Title. “We take great pride in providing personalized customer support to our clients and Ms. Moranda will be a big part of our customers’ success.”

Ms. Moranda brings more than twenty years of comprehensive experience in escrow and title related functions, having previously served in various executive roles. Licensed in over 29 states as a title producer, she has successfully licensed and launched several national title companies, including United Lender Services, a USAA company. With the goal of growing new skills relevant to the changing conditions within our industry in collaboration with industry veterans, Ms. Moranda has created an in-depth training program to allow new team members the opportunity to flourish.

In addition to strategic growth, Ms. Moranda is responsible for designing the title and escrow process flows and implementing best practices and compliance for the title and escrow platform. As the market changes, Ms. Moranda will lead the direction for new business development, cross-functional initiatives, and projects.
