- f. "Evicted" or "Eviction" means (a) the lawful deprivation, in whole or in part, of the right of possession or use insured by this policy, contrary to the terms of any Lease or Easement or (b) the lawful prevention of the use of the Land or any Electricity Facility or Severable Improvement for the purposes permitted by the Lease or the Easement, as applicable, in either case as a result of a matter covered by this policy.
- g. "Lease" means each lease described in Schedule A.
- h. "Leasehold Estate" means the right of possession granted in the Lease for the Lease Term.

- l. "Severable Improvement" means property affixed to the Land at Date of Policy or to be affixed in the locations according to the Plans, that would

3. Valuation of Title as an Integrated Project:

- a. If in computing loss or damage it becomes necessary to value the Title, or any portion of it, as the result of an Eviction, then, as to that portion of the Land from which the Insured is Evicted, that value shall consist of (i) the value of (A) the Leasehold Estate or the Easement Interest for the Remaining Term, as applicable, (B) any Electricity Facility existing on the date of the Eviction, and, if applicable, (ii) any reduction in value of another insured Lease or Easement as computed in Section 3(b) below.
- b. A computation of loss or damage resulting from an Eviction affecting any Constituent Parcel shall include loss or damage to the integrated project caused by the covered matter affecting the Constituent Parcel from which the Insured is Evicted.
- c. The Insured Claimant shall have the right to have the Leasehold Estate, the Easement Interest, and any Electricity Facility affected by a defect insured against by this policy valued either as a whole or separately. In either event, this determination of value shall take into account any rent or use payments no longer required to be paid for the Remaining Term.
- d. The provisions of this Section 3 shall not diminish the Insured's rights under any other endorsement to the policy; however, the calculation of loss or damage pursuant to this endorsement shall not allow duplication of recovery for loss or damage calculated pursuant to Section 8 of the Conditions or any other endorsement to the policy.

4. Valuation of Severable Improvements:

- a. In the event of an Eviction, the calculation of the loss shall include (but not to the extent that these items of loss are included in the valuation of the Title determined pursuant to Section 8 of the Conditions or any other provision of this or any other endorsement) the diminution in value of the Insured's interest in any Severable Improvement resulting from the Eviction, reduced by the salvage value of the Severable Improvement.
- b. The policy does not insure against loss or damage (and the Company will not pay any costs, attorneys' fees or expenses) relating to:

- i. the attachment, perfection or priority of any security interest in any Severable Improvement;
- ii. the vesting or ownership of title to or rights in any Severable Improvement;
- iii. any defect in or lien or encumbrance on the title to any Severable Improvement; or
- iv. the determination of whether any specific property is real or personal in nature.

5. Additional items of loss covered by this endorsement:

If the Insured is Evicted, the following items of loss, if applicable to that portion of the Land from which the Insured is Evicted, shall be included, without duplication, in computing loss or damage incurred by the Insured, but not to the extent that the same are included in the valuation of the Title determined pursuant to Section 3 of this endorsement, the valuation of Severable Improvements pursuant to Section 4 of this endorsement, or Section 8(a)(ii) of the Conditions.

- a. The reasonable cost of: (i) disassembling, removing, relocating and reassembling any Severable Improvement that the Insured has the right to remove and relocate, situated on the Land at the time of Eviction, to the extent necessary to restore and make functional the integrated project; (ii) transportation of that Severable Improvement for the initial one hundred miles incurred in connection with the restoration or relocation; and (iii) restoring the Land to the extent damaged as a result of the disassembly, removal and relocation of the Severable Improvement and required of the Insured solely because of the Eviction.
- b. Rent, easement payments or damages for use and occupancy of the Land prior to the Eviction that the Insured as owner of the Leasehold Estate or the Easement Interest, as applicable, may be obligated to pay to any person having paramount title to that of the lessor in the Lease or the grantor in the Easement, as applicable.
- c. The amount of rent, easement payments or damages that, by the terms of the Lease or the Easement, as applicable, the Insured must continue to pay to the lessor or grantor after Eviction with respect to the portion of the Leasehold Estate or Easement Interest, as applicable, from which the Insured has been Evicted.
- d. The fair market value, at the time of the Eviction, of the estate or interest of the Insured in any lease, sublease or easement specifically permitted by

the Lease or Easement, as applicable, and made by the Insured as lessor or grantor of all or part of the Leasehold Estate or Easement Interest, as applicable.

- e. Damages caused by the Eviction that the Insured is obligated to pay to lessees or sublessees or easement or subeasement grantees on account of the breach of any lease or sublease or easement or subeasement specifically permitted by the Lease or the Easement, as applicable, and made by the Insured as lessor or grantor of all or part of the Leasehold Estate or Easement Interest, as applicable.
 - f. The reasonable cost to obtain land use, zoning, building and occupancy permits, architectural and engineering services and environmental testing and reviews for a replacement leasehold reasonably equivalent to the Leasehold Estate or a replacement easement reasonably equivalent to the Easement Interest, as applicable.
 - g. If any Electricity Facility is not substantially completed at the time of Eviction, the actual cost incurred by the Insured up to the time of Eviction, less the salvage value, for the Electricity Facility located on that portion of the Land from which the Insured is Evicted. Those costs include costs incurred to construct and fabricate the Electricity Facility, obtain land use, zoning, building and occupancy permits, architectural and engineering services, construction management services, environmental testing and reviews, and landscaping, and cancellation fees related to the foregoing.
6. This endorsement does not insure against loss, damage or costs of remediation (and the Company will not pay costs, attorneys' fees, or expenses) resulting from environmental damage or contamination.

This endorsement is issued as part of the policy. Except as it expressly states, it does not (i) modify any of the terms and provisions of the policy, (ii) modify any prior endorsements, (iii) extend the Date of Policy, or (iv) increase the Amount of Insurance. To the extent a provision of the policy or a previous endorsement is inconsistent with an express provision of this endorsement, this endorsement controls. Otherwise, this endorsement is subject to all of the terms and provisions of the policy and of any prior endorsements.

This policy is a contract of indemnity against actual monetary loss or damage sustained or incurred by the Insured Claimant who has suffered loss or damage by reason of matters insured against by this policy.

- (a) The extent of liability of the Company for loss or damage under this policy shall not exceed the least of:
 - (i) the Aggregate Amount of Insurance for the State where the Land is located,
 - (ii) the Indebtedness,
 - (iii) the difference between the value of the Title as insured and the value of the Title subject to the risk insured against by this policy, or
 - (iv) if a government agency or instrumentality is the

Insured Claimant, the amount it paid in the acquisition of the Title or the Insured Mortgage in satisfaction of its insurance contract or guaranty.

- (b) If the Company pursues its rights under Section 3 or Section 5 of these Conditions and is unsuccessful in establishing the Title or the lien of the Insured Mortgage, as insured, the Insured Claimant shall have the right to have the loss or damage determined either as of the date the claim was made by the Insured Claimant or as of the date it is settled and paid.

6. Section 10 of the Conditions of this policy is amended to read:

10. REDUCTION OF INSURANCE; REDUCTION OR TERMINATION OF LIABILITY

- (a) All payments under this policy, except payments made for costs, attorneys' fees, and expenses, shall reduce the applicable Aggregate Amount of Insurance by the amount of the payment.
- (b) If this policy insures the Title to Land located in a state identified in Section 3. b. of this endorsement:
 - (i) all payments under this policy, except payments made for costs, attorneys' fees, and expenses, shall reduce the Aggregate Amount of Insurance by the amount of the payment; but
 - (ii) a payment made for loss or damage on Land insured in one of the policies identified in Section 1 on Land located outside this state shall not reduce the Aggregate Amount of Insurance in Section 3.b. of this endorsement until the Aggregate Amount of Insurance in Section 3.a. is reduced below the Aggregate Amount of Insurance in Section 3.b .
- (c) However, any payments made prior to the acquisition of

Title as provided in Section 2 of these Conditions shall not reduce the Aggregate Amount of Insurance afforded under this endorsement except to the extent that the payments reduce the Indebtedness.

- (d) The voluntary satisfaction or release of the Insured Mortgage shall terminate all liability of the Company under this policy, except as provided in Section 2 of these Conditions, but it will not reduce the Aggregate Amount of Insurance for the other policies identified in Section 1 of this endorsement.

This endorsement is issued as part of the policy. Except as it expressly states, it does not (i) modify any of the terms and provisions of the policy, (ii) modify any prior endorsements, (iii) extend the Date of Policy, or (iv) increase the Amount of Insurance. Otherwise, this endorsement is subject to all of the terms and provisions of the policy and of any prior endorsements.
