## TEXAN TITLE INSURANCE COMPANY APPROVED AS AN UNDERWRITER

On April 30, 2019, Texan Title Insurance Company (TTIC) received its Certificate of Authority from the Texas Department of Insurance to underwrite title insurance policies in Texas. Texan Title Insurance is a wholly owned subsidiary of Texan Title Holdings, LLC, which is also the parent company of a family of independent, local, homegrown title agencies across Texas.

Patrick F. Doyle, President, has been in the title business for almost a quarter century, starting South Land Title in 1995. Since then, the Texan Title family has grown into a network of more than 20 offices throughout Texas through internal growth and acquisitions of homegrown, local agencies, such as Brazos County Abstract in Bryan-College Station, Security Title in Abilene, Prominent Title in Austin, Guaranty Title in Navasota and, most recently, Washington County Abstract in Brenham.

Mr. Doyle has always believed that Texas title agents and consumers alike should have a Texas-based choice when choosing a title insurance underwriter. “We are extremely excited about this new opportunity, and it has been a long time coming. We have put in many years of hard work and due diligence to get to this point, and I want to thank all of our employees for their commitment to make our company what it is today. Even as we continue to grow and write new chapters of our story, we will never forget our independent roots.”

The Texan Title group of companies is licensed in 38 counties and has more than 20 offices throughout Texas. Even though Texan Title has a large presence in Texas, we are still local enough to provide professional service with a personal touch. Our expert teams are committed to ensuring the success of every transaction, regardless of the location of the property.
