

Since 2006

# Private Health Group Cooperative

Main Street Health Group is a health group cooperative able to band together similar companies as one large group to obtain more affordable employee benefit plans. The more companies that participate, the greater the savings and long-term stability.

## What are the advantages?

- Lower cost
- Large group employee benefit plans
- The ability to attract and retain employees with better plans
- Simplified delivery of a full employee benefit platform
- Stability as a large group
- Consolidated billing
- Simplified administration
- COBRA/state continuation administration

## What type of plans does the co-op offer its employers?

Through the co-op Main Street offers groups a wide host of UnitedHealthcare products, such as:

### Choice of multiple medical plans

- Basic Life
- Dental
- Vision
- Voluntary Plans; Life, Critical Illness and Accident Plans

## How can our group participate?

Complete an Employer Survey /Questionnaire at [www.mshgc.org](http://www.mshgc.org). Go to the "Employer Profile" page and click on the survey to begin. We'll then follow up with the next steps.
