The Honorable Tim Scott
Chairman
Senate Banking Committee
Washington, D.C. 20510

Dear Chairman Scott,

I am writing on behalf of the Texas Land Title Association (TLTA).

Founded in 1908, The Texas Land Title Association is a statewide trade association representing the Texas title insurance industry and currently serving over 20,000 professionals involved in the safe and efficient transfer of real estate. In the course of their daily work, our membership serves over a million consumers each year. With active members in virtually every county in Texas, TLTA membership comprises over 80 percent of all title insurance agents and underwriters licensed to do business in Texas.

It is with great pride that we endorse the nomination of Scott Turner, a fellow Texan, for the position of HUD Secretary.

The Texas Land Title Association has a keen interest in a healthy and robust housing market in Texas and the U.S.

Mr. Turner will bring a strong background in seeking an opportunity society and a growing housing market. We appreciate his service in the Texas legislature and subsequently the White House.

The housing market is in need of a boost, and we believe his background will be instrumental in helping the Administration make a strong housing market a priority.

We look forward to working with him to advance a pro-housing ownership market in the next four years.

Sincerely,

A handwritten signature in black ink that reads 'Claire Hartman'.
