Garland Title Industry Professional Receives Prestigious Award from Statewide Title Industry Association

AUSTIN – The Texas Land Title Association (TLTA), one of the state’s oldest trade associations, has awarded Belinda Mitchell, Operations Manager, Excel Title Group, LLC, the esteemed Professional Excellence Award. The award honors exceptional contributions and extraordinary achievement by those employees who exhibit outstanding customer service.

"We are thrilled to present Belinda with this award," said Leslie Midgley, Executive Vice President and CEO of TLTA. "It's now more important than ever that we have dedicated members and volunteers to encourage growth and excellence in the Texas title industry."

With more than 38 years of experience in the Texas land title industry, Mitchell began her career with a real estate attorney and learned the business from the bottom up. Her first job was in conveyance and she moved through the title business covering all of the document preparation and escrow officer positions along the way. Over the years, she has managed offices for fee attorneys, direct operations and branch offices. In her free time, she enjoys spending time with her family and her dogs and enjoys working on sewing and embroidery projects along with music.
